CLINICAL PRACTICE UPDATES

- SERVICE TREATMENT RECORDS
- POC: CDR Vannessa Lake, NC, USN
– lake_v@msn.com
- Pick Up Directions Sheet At Front

TYCOM Guidance for Service Treatment Record (STR) Life Cycle Management

- A **complete STR** is:
 - 1) The complete Medical record: All SAMS/TMIP notes, All AHLTA/CHCS notes included.
 - 2) The complete Dental record: All X-rays included.
 - 3) A completed and signed DD 2963.
- **Goal:** Establish a process to ensure all Active Duty Service Members (ADSM) retiring or separating will **receive VA benefits upon date of discharge**
- Please note that **YOU** are the signatory certifying completeness of the STR on this document (**DD 2693 - STR TRANSFER or CERTIFICATION FORM**).

Medical Record Guidance

- **YOU:** (or designated rep) will **notify the Patient Administration Department of the Branch Clinic** or Hospital that services your unit **of all separating or retiring crew members**
 - **AT LEAST 7-10 days (CONUS** home ported ships)
 - **AT LEAST 60-90 days (OCONUS** home ported ships) prior to separation/retirement
- **THEY:** may provide all hard copy ALHTA/CHCS notes for the separating/retiring service member.
- **CONUS Branch Clinics** will turn these requests around in 7-10 days after notification
- **OCONUS Clinics and Hospitals** will turn requests around in 30-45 days.
- **Recommend:** identifying and coordinating with your local servicing clinic or hospital for a smooth process for your shipmates.

- **YOU:** notify the Branch Dental Clinic that services your unit of all separating or retiring crew members:
 - **AT LEAST 1-7 days (CONUS** home ported ships) or
 - **15-30 days (OCONUS** home ported ships) prior to separation/retirement
- **THEY:** provide **CD's of digital x-rays** for the separating/retiring service member.
- **CONUS Branch Dental Clinics** will turn these requests around in 1-7 days after notification
- **OCONUS Dental Clinics** will turn these requests around in 7-14 days.
- **Recommend:** identifying and coordinating with your local servicing dental clinic for a smooth process for your shipmates.

After 1 Jan 2014

- After 1 JAN 2014 the **Ship/Unit will mail the complete directly to the VAMRC.**
- Local clinic will still print out hard copy records but PSD will not be involved.

DEPLOYABILITY COORDINATOR

- **NAVADMIN 014/14**

- All Commands Shall Designate a Deployability Coordinator (E-6 or above) in writing and provide designation letter to supporting MTF Deployability Coordinator
 - » Recommend IDC on CRUDES/LCS/NSE commands
- All PSDs, Customer Service Desks, MTFs, and Clinics Shall Provide the Deployability Coordinator's contact information to PERS-454 by 28February2014
- MTFS/commands shall assess deployability of every sailor at minimum three times yearly (including PHAs, etc)
- MTFS shall Evaluate LIMDU Sailors at a Minimum Every Two Months

NAVY PERSONNEL AMMUNITION AND EXPLOSIVES HANDLING

- CNSP/CNSL 8023.6
- The following forms are available on the Navy Forms Online website at <https://forms.daps.dla.mil/>:
 - a. OPNAV Form 5530/1:
 - » Report of Screening for Personnel Assigned AA&E Security Related Duties
 - b. OPNAV Form 8020/2-3417 and OPNAV 8020/6:
 - » Medical Examiner's Certificate for Explosive Material Handling Equipment

RANDOM SYNTHETIC MARIJUANA TESTING

- NAVADMIN 334/13
 - Mentioned in Navy Drug and Alcohol Abuse Prevention Program E-Gram
 - Testing to begin 1Jan2014
- Testing Will Be Conducted During Random Urinalysis
- Estimated 1% Use Across Fleet

2014 NMCS D

Radiology for the GMO Course

Learn Radiology from the experts!

- **What:** Review of basic imaging interpretation, common pathology and indications for advanced imaging in:
 - Chest Radiology
 - Musculoskeletal Radiology
 - Neuroradiology
 - Abdominal Imaging
 - Ultrasound
 - Breast
 - » CME approval for physicians is being sought.
 - » Case based review included for "hands on" interpretation experience.
- **Goal:** refresh/enhance basic interpretation skills for use in clinic and when forward deployed.
- **Who:** Seats for up to 40 GMOs.
 - (seats will be opened to other primary care providers as available, MD,NP, PA, IDC)
- **When:** February 27th and 28th 07:45-16:00 (Thursday and Friday)
- **Where:** NMCS D, Building 1, 2nd floor, Radiology conference room
- **Sign up Now!**
 - Reserve a seat via email to james.stepenosky@med.navy.mil and cc jason.sweet@med.navy.mil
